## Tour in brief

The Etili village tour has been structured to give a unique experience about the traditional village agriculture in Sri Lanka. Chena cultivation is the main experience of the tour. Hence, the village has been surrounded by a reserve; the natural beauty and habitats of animals around the area are well preserved. There is a beautiful lake in the middle of the village where you will go on a boat ride. This village tour will feature Sri Lankan hospitality and lot of unique events that will make your Sri Lankan Tour memorable.

## Important

- Personal effects for warm, windy, rainy conditions should be carried by clients
- We recommend that you wear shoes for your convenience
