## Tour in brief

- Sri Lanka is an island nation which loves its food. From the wide range of staples to the spicy curries to the sweets to street food, Sri Lankan cuisine is full of flavour and variety. With so many dishes to choose from, it is no wonder that there are so many fans of Sri Lankan food.
- Once you arrive at our lovely kitchen we will start by teaching you how to open a king coconut for a refreshing drink. Thereafter, we will move on to cooking a number of different curries, ending with a grand meal, including some traditional desserts! The whole experience will take around 3 hours and we can cater up to 8 guests at a time. If you have any food preferences or allergies, please alert our team before taking this experience.
- At the end of the cooking experience, everyone will sit down together and have an authentic feast, because the Sri Lankan food experience is better when it is shared
