Tour in brief

- First you will meet the experienced english speaking guide at the meeting point. After a small chat with the guide you will start the cycling tour. This particular experience is for cyclists who wish to explore a bit more than the average cycling tour.
- This cycling tour takes you along the north-west shoreline of Koggala Lake and its cinnamon plantations. Koggala Lake is one of the most beautiful locations in this part of the country.
- After enjoying a brief stop for a refreshing king coconut you will arrive at a local village where you will get a chance to mingle with the locals and learn about their way of life. Take a 15 minute walk from the village to the river, where you can enjoy a dip in freshwater that comes straight from the Hiyare Rainforest.
- Our experienced and knowledgeable tour guides will provide you with an unforgettable experience while taking care of your equipment and ensuring your safety.
