- Sri Lankan villages are filled with happiness, community work and ingenuity. Witness true hospitality in this Sri Lankan village

Quick Facts

- Availability - Throughout the year
- Preferred Time - Morning
- Duration - 6 Hrs
- Meeting Point - Mawanella, Kegalle
- Transport to and from any location can be organised on request for an additional fee

Tour in brief

- Uthuwankanda is a beautiful village with green paddy fields, rivers and mountains. The Uthuwankanda Village tour starts with the Uthuwankanda Temple where you meet the honorable monk in the temple. He will give a small description about the historical importance of the temple, after which you will be able to taste a freshly prepared Sri Lankan breakfast.
- There are four important places to visit in this journey. They are Saradiel rock, Saradiel cave, Saradiel theme park and Bo fall. The Saradiel rock climb is one of the main adventure activities in this tour. While exploring the cave tunnel, you will need to creep through certain areas, making it quite an adventure.
- Saradiel village is situated 1 km from Uthuwankanda junction in Mawanella. You will be escorted on a guided tour where our guide will walk you through the life and death of the Saradiel.
- After the experience, visit Ambalama and refresh yourself with a king coconut and a village fruit buffet while you listen to folk poetry. After having lunch (rice & curry, and fruit salad) you're off on a trek to Bo Waterfall. This is a beautiful waterfall with a mesmerizing rock pool. The experience will end at 3.30 pm, after a brief discussion session complemented by an evening refreshment along with srilankan traditional sweets (Helapa, Walithalapa).
