Tour in brief

- Our rock climbing site is 40 minutes away from Colombo, which is approximately 35 km from Colombo. You can arrive at a pre-agreed location at the agreed time and meet the SLDT representative. After welcoming you, you will be taken to the crag. Then a safety briefing will take place before the activity. As this is a moderate climb, this is also suitable for beginners and the people who want to learn rock climbing.

Important

- Our rock climbing site is an 18-acre secondary scrub jungle at the top of a granite-made rock, 378 feet above sea level at the highest point. It is located in what was a coconut plantation of 600 acres in the district of Kalutara, Sri Lanka. There are two other similar hillocks nearby, if you are interested in exploring more.

Included in the price
