Sunrise hot air balloon journey and champagne breakfast – Kandalama

“Explore the skies on a private hot air balloon, and watch the first rays of sun gently kiss misty hills. On landing, enjoy an exclusive champagne breakfast and fresh tropical fruit basket at Kandalama.”

SLDT/1702/HAB01

Why should you book this trip?

- Exciting adventure not to be missed. Especially if you are in the right location (Cultural Triangle of Sri Lanka) at the right time (April to November).
- One of the reasons hot air ballooning Sri Lanka is so unique is the aerial view you get of the surrounding area. You are able to have different views every time you fly.
- The beauty of the sunrise landscape you see from a hot air balloon is something you can't see any other way.

- Plenty of photo and filming opportunities.
- Champagne and fruits upon landing.
- Ideal way to give a surprise gift to your loved ones.

Quick Facts

- Availability – November to April
- Pick up time – 5.15 a.m. from your hotel. However, it will depend on the distance to the launch site
- Starting point – D.S Senanayake College Grounds, Kandalama.
- Launch sites may change depending on the wind direction and speeds
- Hot air balloon flight starting time: 6 a.m. Balloons take off only at sunrise in Sri Lanka when the air is cool and the winds are calm
- Duration – Approximately one hour from the take off time
- Children 7 to 12 years of age will be offered 25% discount
- Children need to be a minimum of 1.2m (5 ft) in height and 7 years or older
- Children under 16 years have to be accompanied by an adult
- It is recommended that pregnant women do not fly

Tour in brief

- 05.15 -06:15 a.m. - Transfer from hotel to takeoff point. Pickup time will be confirmed the evening prior.
- 07.00 - 07:30 a.m. - Experience assisting the pilot and crew in preparing the balloon for takeoff. Our experienced crew will help you assist in getting the 350,000 cu foot envelope ready for inflation which is almost as memorable as the journey. Enjoy the picturesque landscape at sunrise, as nature awakens to the first rays of the sun.
- 08:00 - 08.30 a.m. - Landing and then the endeavors of the retrieval by our ground crew together with the pilot, at his best, displaying the finer techniques of landings and maneuvers. It's all part of the flight experience. The final pack-up of the envelope and equipment plus lots of laughs and photos add to the memories.
- 08.30 – 09.30 a.m. - Coming down to earth and the reality of returning to life as seen from the ground, we head for a deserved breakfast of champagne and fresh tropical fruits. Our driver will meet you and with the pilot you will return to your hotel with your flight certificate in hand.

Important

- Children need to be a minimum of 1.2m (5 ft) in height and 7 years or older
- Children under 16 years have to be accompanied by an adult
- It is recommended that pregnant women do not fly
