The world's greatest leopard safari – Yala National Park

“Yala National Park is synonymous with Leopard-topia– holding the largest leopard population in the world, per kilometre. Globally recognised as being not just the best place to observe big cats, but sloth bears and elephants as well.”

SLDT/1702/Sa03

Why should you book this trip?

- Boasting the highest density of leopard population in the world, the Yala National Park is widely noted as being the best place in the world to film and photograph the Sri Lankan leopard.
- Yala is also popular for its high density of sloth bears.
- You have 3 options to book safaris in the Yala National Park: [1] Morning Safari [2] Evening Safari [3] Full Day Safari.
- The experienced guide facilitates a fuller experience on this Yala leopard safari.
- Specially modified, comfortable jeeps for maximum viewing - are provided for these safaris.

- We also offer customised services for our guests (family safaris/honeymoon safaris/photography safaris, etc.).

Quick Facts

- Availability: 365 days of the year
- Arrival and departure transport for any location could be arranged on request, for an additional cost.
- Starting time : Morning: 6:00 a.m. /Afternoon: 2.30 p.m.
- Duration of tour: Half Day or Full Day.
- We mostly utilise the less crowded Katagamuwa
- Entrance to enter the Yala National Park.

Tour in brief

- You will first meet the Sri Lanka Day Tours crew and your safari guide at the gate entrance to the Yala National Park. For the morning half-day tour, your Yala Safari commences at 6:00 a.m. while the afternoon run begins at 2.30 p.m.
- After entering the National Park with your guide in a jeep, keep an eye out for leopards and sloth bears, besides other mammals and several species of birds which have made their homes in this sanctuary. The guide will explain about the Park's various interesting attributes as you discover, become more aware and enjoy the flora and fauna of Yala.
- You will be taken through most of the Yala National Park, covering the wetlands, grasslands, forest patches, etc. We will make longer stops at certain watering holes for those quiet photography opportunities.
- Finishing the Safari, either around 11 a.m. or around 6 p.m., you will be dropped at the park entrance.

Important

- Suitable casual clothing for windy, rainy, warm weather conditions should be considered.
- Insect repellents and sun-protection creams are recommended items to carry.
