Tour in brief

- Our guides will meet you at our activity center and after the initial briefing we will start our cycling journey.
- Departing from near the activity center, you will reach the Gannoruwa Agro Farm – an 80-hectare facility where you can see local agriculture at its finest. A diverse array of agricultural industries such as fruit and vegetable gardens, beekeeping, plant pathology center, insect zoo, and herbal gardens are on display.
- The next stop is the Dawson Tower in Kadugannawa town, a monument to the commanding engineer of Ceylon in the 1800s, Captain Dawson, who built the country's first highway system.
- A visit to a local home-based brass workshop follows, where you can see how brassware is manufactured, as it has been for several centuries.
- Finally, you will head to an authentic spice garden where you can see various traditional spices of Sri Lanka.
- Sri Lanka Day Tours' guided Cycling Tour of Kandy's outskirts is one that will be an unforgettable experience.
